

JOIN THE PERRY CHOIR!!!

Dear Parents of 3rd and 4th grade students,

All students currently enrolled in 3rd or 4th grade are invited to join a special select choir ensemble. This ensemble will meet once a week after school, and will perform concerts both at Perry Elementary, and if possible, in the Perry community as well. The ensemble will serve as a means of furthering students' understanding of the singing voice, breath support, and sight-reading, and will serve as an additional means of continuing to foster the musical growth of each student. **Students will participate in LEADERSHIP games and TEAMBUILDING activities and will be challenged to become leaders in our school and community!**

Weekly rehearsals will take place every Tuesday afternoon from 2:45pm to 3:50pm. The choir will be performing 2-3 times throughout the first half of the school year. And again in our second Semester from January to March. These performances will be held either during the school day in our school cafeteria, after school in the high school auditorium, or *if possible*, after school hours in the community (parade, basketball game, etc.). *****Please understand that this is a semester-long commitment and consistent student participation and attendance is vital to the success of the group.** Weekly rehearsals will be held from the end of September to December, (with one performance at a basketball game in the new year), and a **second semester from January through March.**

Our first rehearsal will take place Tuesday, September 24th, at 2:45pm

There is a suggested donation (see back page) to help offset the cost of the ensemble. The donation will help to purchase a choir shirt that your child will use for all concerts, and will cover the expense of all music materials that will be used throughout the school year (sheet music, teaching materials/supplies, piano accompanist, etc.).

If you have any questions or concerns, please don't hesitate to contact me!
